To whom it may Concern

Dear Sir/Madam,

On behalf of Concern worldwide, this is to certify that Water Environment and Sanitation Society (WESS a –not – for –Profit NGO based in Quetta) is partner with Concern worldwide -Pakistan in the Province of Balochistan. WESS has successfully implemented various programmes naming some of them such as Awaran Rural Development Programme, Quetta Urban Development Programme and Working Children Protection Programme.

Apart from this WESS is partner in implementing the currently continue programme of "Technical Vocational and Education Training in Northern Balochistan" with period from September 2012-February 2016 at District Loralai and Ziarat.

During the course of partnerships with WESS, CONCERN found the partner (WESS) to be forthcoming and willing to enhance its capacity for efficient project implementation and completed the projects successfully within the stipulated time period. The long standing partnership with WESS shows the seriousness of WESS in contributing in the sector of Development in Balochistan.

Best Regards,

Naseem A. Panezai

Balochistan Programme Manager
Concern Worldwide-Pakistan
